The Art of Design

藝　術　之　家

戶主為一名退休女藝術家，因此單位的每一處都可感受其藝術氣息，舒適溫暖又別具特色。Simple, elegant and stylish, this spectacular property in Hong Kong Parkview is at once inviting and sophisticated thanks to the interior design talents of Amrita Khanna of Zip Code 888.

1. 銀灰色的梳化、酷藍灰白的畫作、木質傢具和飯廳柔和的吊燈，打造出自然優雅的生活空間。‖ The main living room features an expanse of white walls softened by the silky silver tones of the sofa and oversized rug, which contrast with the warmer shades of the wooden floor.

2. 戶主希望居室可反映她平和喜靜的性格，因此設計師以素雅的色調及質樸無華的建材為主軸。‖ To the far side of the room, a second smaller grey love seat sits in a bay window, making the perfect place to curl up with a good book.

3&4. 小巧渾圓的桌子為簡約的居室帶來活潑的氛圍。‖ The owner was keen to introduce an organic feel, so the design team incorporated a host of wooden tables, which are beautifully offset by the metallic tones present in the accessories.

5. 由於廳區的自然光線略為不足，設計師便擺放一塊座地鏡子，反射光線的同時提升空間感。‖ Echoing these metal elements, an oversized gilt-framed mirror rests gracefully against one wall, creating an enhanced sense of spaciousness in the lounge.

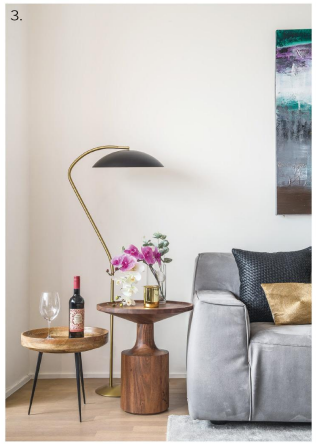

來自孟買的女戶主最近定居香港，希望新居能反映她平和喜靜的個性。因此設計師便以戶主於 70 年代沿海而建的舊居為設計藍本，打造雅致的生活空間。

型酷色調

單位以清雅素淨的色調為主，淺灰色梳化及地氈煥發柔和舒適的感覺，一張購自 BoConcept 的畫作則以斑斕的色系點亮了廳區。書櫃、茶几、餐椅等傢具均以木材製造，散發自然樸素的感覺，亦能凸顯戶主低調樸實的性格。與此同時，廳區的部分擺設及燈飾均綴以金屬元素，在簡潔的畫面中添上一抹時尚色彩。由於室內的自然光較為不足，設計師便在客廳放置一塊座地金框大鏡子，提升居室的空間感。飯廳的部分牆身漆上黑色，在視覺上遮蓋了吊燈的電線，亦將廳區劃分出來。

私密空間

與廳區不同，影音房以深沉的色調為主軸，全因戶主希望能在此房間打造家庭影院。深色調的窗簾可遮擋鄰近大廈的景觀，但透視布料卻不會阻擋自然光線透進房間內。淺灰色梳化可搖身一變成梳化床，方便戶主的家人探望她時在此留宿。睡房的設計則回歸柔和素淨的風格，蘊含禪意。牆身僅以戶主於紙莎草上的素描點綴，為戶主打造清雅的睡寢空間，設計師亦特意於房間內設置小型工作間，方便戶主處理文案。

Occupied by a retired artist from Mumbai who moved to Hong Kong, the owner of this comfortable yet stylish Hong Kong Parkview apartment is a very calm, organised, quiet person who loves to enjoy her home. As such, she turned to Amrita Khanna of Zip Code 888 Ltd to help create a property that reflects her personality while making full use of the 1,200 square feet floor plan.

However, there were several key aspects that Khanna and the design team needed to consider in terms of the interiors, most notably the fact that the owner used to live by the sea and therefore was keen to incorporate an organic feel in the home. As such, a cool colour palette was adopted in order to encourage the natural light to flood throughout, and the team incorporated an expanse of wood tones that would usher in a natural vibe.

In an effort to meet her needs and create a welcoming ambience, the design concept was adapted from the home in which the owner lived back in back the 1970s, which featured a mid-century modern style.

The main living and dining room houses an expanse of white walls softened by the silky silver tones of the grey sofa and rug, which contrast seamlessly with the warmer shades of the wooden floor below. Above the couch hangs a stunning abstract painting that boasts a host of marine blues and yellows, which are beautifully offset by the metallic tones

1. 設計師以深色調為影音房的主題，梳化可拉出成梳化床，方便戶主的家人在此留宿。‖ Warm and cosy, the design team chose a darker grey colour palette in the TV room, most notably with the curtains and rug, creating a home theatre feel.

2. 雲石飯檯和富現代感的吊燈，配合魅黑的牆壁，立即令家居充滿時代感。‖ An inviting dining suite featuring a round marble-topped table is flanked by a series of mismatched wooden chairs with black leather seats, illuminated by two retro pendants.

白色的房間，配合戶主掛在牆身的畫作，令睡房禪意及藝術氣息滿溢，反映戶主的個人風格。‖ Designed to encourage a good night's sleep, the master bedroom is calm and Zen-like, featuring a gentle colour palette and several pieces of the owner's art on the wall.

present in the accessories, such as the base of the table and floor lamp as well as the vase and tray on the low coffee table. Echoing these metal elements, an oversized gilt-framed mirror rests gracefully against one wall, creating an enhanced sense of spaciousness in the lounge. Meanwhile, a second smaller grey love seat sits in a bay window, making the perfect place to curl up with a good book.

On the other side of the room lies an inviting dining suite featuring a round marble-topped table flanked by a series of mismatched wooden chairs with black leather seats. Up above, two almost retro pendants illuminate the space, making this a fantastic place for family get-togethers. Part of the wall in dining area near the corridor was painted black in order to conceal the cords of the pendants, squaring off an otherwise elongated living space in the process.
